Hg March Highlights

Welcome to Hg's monthly digest, designed to keep you updated with news from Hg and our network of portfolio companies. The newsletter can also be found on our website. If you would like to subscribe, please email us.

Alternatively, follow us on Twitter and LinkedIn!

Hg opens office in New York

An initial team of 10, led by Ben Meyer (from Temasek) and Gero Wittemann (from CVC).

"The size of the US technology market, estimated to be around $3.2 trillion, materially increases the opportunity to invest more across Hg's areas of focus, and represents both a logical and exciting new chapter in Hg's growth." Watch our film

Hg News

Hg agrees the sale of Foundry

Roper Technologies has invested in the UK-based leading global developer of high-end visual effects and 3D design software.
