

Hg June Highlights

Welcome to Hg's monthly digest, designed to keep you updated with news from Hg and our network of portfolio companies. The newsletter can also be found on our [website](#). If you would like to subscribe, please [email us](#).

Alternatively, follow us on [Twitter](#) and [LinkedIn](#)!

[Visma: Growing one of the world's most successful cloud software companies](#)

"If you've got a great business with a great management team... one of the prime things you can do as an investor is stay out of the way and let them be successful." [Watch our film](#)

[Hg Insight: Taming the Dataflow](#)

"The proximity of ERP systems to the live data of their clients means they can take a spot or even a forward view of those clients' positions." Jean-Baptiste Brian posits that the move from on-premise to the SaaS model allows ERP providers to provide a new layer of value to their users. [Watch our film](#)

Hg News

[Hg invests in TransIP to join forces with Combell](#)

"Together they create **team.blue**, a leading digital enabler for companies and entrepreneurs across Europe. team.blue will deliver innovative services to a combined 1.2m companies, bringing together the most experienced people in the industry with the aim to be a true tech partner for customers." [Read more](#)

Our Thinking

Talent Acquisition at Hg

"More than ever the hiring and retaining of strong, adaptable leadership is an essential part of the value equation."

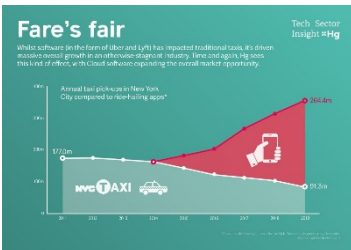

[Watch Elizabeth Wallace and Dawn Marriott-Sims discuss Hg's own approach to talent acquisition.](#)

"The healthcare industry has a hype problem..."

We tend to fixate on rising technology — the hot new silver bullet — and idealize its potential to solve longstanding challenge"

Erkan Akyuz, CEO of Rhapsody, shares his insight on how to cut through the hype to find practical approaches to interoperability in the healthcare industry. [Read more](#)

Fare's Fair

CHART OF THE MONTH: Hg's Director of Research, David Toms, demonstrates how, while software has impacted traditional taxis, it's driven massive overall growth in an otherwise-stagnant industry.

[See the chart](#)

Hg Forum: The Product of Understanding

"We look to get Product Managers early on because we're actually using them catalyse and accelerate what's happening in the business." Hg's first Product Forum brought together Product Managers and Marketers from across the Hg portfolio to network, collaborate and be inspired. [Watch our film](#)

Portfolio News

Eucon recognised for innovation

"Our customers are in possession of a wealth of data that they are unaware of. We help them to use it profitably."

TOP 100 assesses the innovation management of small and medium-sized companies.
