Hg December Highlights

Welcome to Hg's monthly digest, designed to keep you updated with news from Hg and our network of portfolio companies. The newsletter can also be found on our [website](#). If you would like to subscribe, please [email us](#).

Alternatively, follow us on [Twitter](#) and [LinkedIn!](#)

[Hg's Saturn fund acquires P&I](#)

P&I is an internationally operating, full suite provider of cloud-based HR software solutions and a driver of innovation in HR technology.

“P&I is an exceptional business and we've been in the privileged position of knowing the team there for almost two decades. We're excited to partner with P&I and its team again and support them in the next phase of growth.”

[Hg invests in Argus Media](#)

Argus produces price assessments and analysis of international energy and other commodity markets, and offers bespoke consulting services and industry-leading conferences.

Companies in 140 countries around the world use Argus data to index physical trade and as benchmarks in financial derivative markets as well as for analysis and planning purposes.

Hg creates Inclusion & Diversity Steering Group

"We aim to attract and maintain a team of the best possible investment and operational talent. To do this we need to ensure that we're building this team from the broadest range of potential employees." [Read PE News' article on the industry's efforts towards diversity and how Hg stacks up.](#)

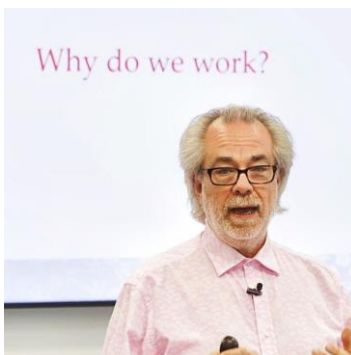

Hg Factsheet

Hg will publish a regular factsheet covering Hg, its portfolio, its investment activity, and its long-term record.

We hope that you find it useful! [Find it here](#)

Our Thinking

A View from the Top: The Corporate Philosopher

"If you create an environment where people can be at their best and have fun then the most amazing things can happen."

Roger Steare, the Corporate Philosopher reminds us that how we work and what we produce is where we can find the most meaningful reward. [Watch the film](#)

Portfolio News

MediFox and COMfuture have a bright future together

"MediFox continues to grow and we are very happy to have COMfuture, a traditional software company with an extremely high level of professional expertise and know-how on board."

Merete Hverven appointed as successor to the CEO at Visma

With her direct leadership style and ability to execute, Merete has earned a reputation as an important role model both inside Visma and in the technology industry. She was among the top three finalists for the Oda Award Woman 2019, recognising influential women in technology. [Read more](#)

Access invests in Microlearn

The Southampton based learning solutions provider was launched in 2017 to provide an alternative to traditional eLearning, championing a blended micro-learning approach to boost an organisation's learning culture. [Read more](#)

Visma acquires Romania's Smartbill

"With a shared vision of making billing and accounting processes simple and cloud-based, Visma is perfectly suited to support SmartBill in becoming stronger, more reliable and more trusted."
