

July highlights

The Hg Foundation launches

Removing barriers to education & skills in technology

The Hg Foundation's goal is to make an impact to the development of skills most required for employment within the technology industry, focusing on individuals who may otherwise experience barriers to access this education.

The Hg Foundation launched in July. Follow them on [LinkedIn](#) and [Twitter](#).

Hg July Highlights

Welcome to Hg's monthly digest, designed to keep you updated with news from Hg and our network of portfolio companies. The newsletter can also be found on our [website](#). If you would like to subscribe, please [email us](#). Alternatively, follow us on [Twitter](#) and [LinkedIn](#).

Hg Tech Insight: "Where does it hurt?"

Hg's Director of Research, David Toms, investigates the pain points of the software industry and who's feeling it the worst. [See the chart](#) or read David's insight:

"Software at the all-you-can-eat buffet"
